Traffic Advisory – Schick Road Construction

Starting on Wednesday, October 21, 2009, Schick Road will be entirely closed east of IL Route 59 and west of Petersdorf Road for approximately 2-3 business days due to drainage system improvements. Roadway resurfacing activities will begin immediately after the drainage system improvements are completed. Schick Road will be restricted to one lane under flagger control east of IL Route 59 and west of Petersdorf Road for approximately 7 business days. The Wayne Township Road District will utilize electronic message and detour signs during the duration of the two projects.
