On Monday, February 1, 2010 at approximately 7:30 pm, the Bartlett Police Department and Bartlett Fire Protection District responded to a garage fire at single-family residence in the 800 block of Foster Avenue. The fire apparently started in the engine compartment when the homeowner attempted to start his vehicle that was parked inside the attached garage. The fire then spread to the garage walls before it was extinguished by the Bartlett Fire Protection District. The Bartlett Fire Protection District estimated the fire caused approximately \$20,000 worth of damage to the vehicle and \$25,000 worth of damage to the garage area. The residents safely evacuated the residence before the Bartlett Fire Protection District and Bartlett Police arrived on the scene.
