

Ash Tree Removal Area Map

Expected Start

- Completed
- In Progress
- April 2015

Map Date: March 16, 2015
 Prepared by: Community Development

Some start dates have changed due to the availability of the contractor's crews and equipment. Expected started dates may be delayed due to weather and other conditions beyond Village control. Only trees located within the parkway will be removed - tree locations were verified with Plats of Surveys and GIS. Trees on private property are the responsibility of the homeowner.
