

# Bartletter

progress with pride

## September 11 - 13

Bartlett Heritage Days, September 11 through 13, is the 6th annual community-wide fall festival designed to honor and celebrate the Village's rich history.

Visit [www.bartlettheritagedays.com](http://www.bartlettheritagedays.com) for the most up-to-date schedule and for information about purchasing T-shirts and buttons, which will be available at the festival.

### Some of the new Saturday events this year are:

- \* a kick-off parade from W. Bartlett Ave. to Bartlett Park
- \* campground by the Federal 1st Brigade, Illinois Volunteers of Civil War reenactors in Bartlett Park
- \* appearance by the 144th Army Band of the Illinois National Guard
- \* cos-play party and costume contest, noon to 4 p.m. Eternal Relic Games, 118 W. Bartlett
- \* the Hanover Township food pantry trailer will be accepting donations all weekend

### Returning highlights of this year's festival include:

- music & fashion show at Banbury Fair, Friday, 7 p.m.
- free with Heritage Days button -- old-fashioned trolley rides, with tours of historically significant homes and buildings, narrated by local docents provided by the Bartlett Historical Society
- crafts & jewelry row on Oak Street, Saturday & Sunday, 10 a.m. to 4 p.m.
- flea market along Bartlett Avenue, north of the train tracks, Saturday & Sunday, 10 a.m. to 4 p.m.
- children's art activity by Color My World Art Studio, outside Arts in Bartlett, 215 S. Main St., Saturday & Sunday, 10 a.m. to 4 p.m.
- decorate a kite contest by Arts in Bartlett; bring entries to the AT&T Park, Saturday, 10 a.m. to 2 p.m.
- animal show by Bartlett Nature Center at Bartlett Park, Saturday, 10 a.m. to 4 p.m.
- DuPage Valley Settlers campground, Saturday
- classic car show on Bartlett Avenue, north of the train tracks, Sunday 10 a.m. to 3 p.m.
- "Living Out Loud" teen band at Derango Family Dental; games & snacks benefit Juvenile Diabetes
- open house & root beer floats at Immanuel United Church of Christ, Saturday & Sunday, 1 to 5 p.m.
- Bartlett's Antique Road Show at Arts in Bartlett, 215 S. Main St., Sunday, 1 to 3 p.m.

### Heritage Days at the Museums

Heritage Days is a perfect time to visit Bartlett's museums and experience its rich past!

"Signals, Symbols & Semaphores, Talking without Speaking" is the current exhibit at the Bartlett Depot Museum, 100 W. Railroad Avenue open during Heritage Days on Saturday, 9/12 from 10 a.m. to 4 p.m.

The Bartlett History Museum, located in Village Hall, is featuring "The Firemen's Festival, One Fun Way to Fund" and "Groundbreaking: Can You Dig It?" It is open Monday to Friday, 8:30 a.m. to 4:30 p.m. and Saturday, 9 a.m. to noon.

# ZONED FOR BUSINESS

Brewster Creek Business Park continues to augment and diversify Bartlett's local economy. With more than 70 businesses and almost 2,000 employees, the business park continues to attract new companies due to its DuPage County location, proximity to major roads, the area's skilled workforce, high quality neighbors and its attractive appearance.

One of the newer businesses at the park, **Creative Werks** packages candy and chocolate products in the Village's largest building, a 400,000 square foot facility at 1350 Munger Road. The SQF 2000 Level 3 food-grade plant is set up to manufacture packaging components and fulfill a variety of packaging formats. Like Creative Werks' three other co-packing facilities, the company intends to

run all 400,000 square feet of its Bartlett operation using wind energy.

**Bremserl North America** manufactures brake pads, brake shoes and linings for rail vehicles, commercial vehicles and industrial applications at its new facility at 1291 Humbracht Circle. The new 50,000 square foot space in a formerly vacant building will allow Bremserl to meet continued demand for its friction materials and introduce new products to the market.

Outside the business park, **Soothing Nail Spa** has opened at 985 S. Route 59. Owner Justin An's business provides great service in an attractively refurbished locale. Stop in or call 224-236-6138 to schedule an appointment.

Keep up with the latest business news in Bartlett by visiting and liking the Discover Bartlett page on Facebook.

## top of the cl **A+** ss

At the end of each school year, the Village takes time at a Board meeting to recognize and thank **local U-46 teachers and administrators** who are retiring. During the course of their careers, these men and women have contributed their time and talent to expand the minds and enrich the spirit of many young Bartlett residents and our community is better because of them. This year lets offer our thanks and congratulations to: Sherri Bailin, Kathryn Grabenstetter, German Hernandez, Wendy Jensen, Christine Kotars, James Lawton, Mitchell Lazarus, Karen Luebke, Sally Remington-Richard, Edward Russell, Patrick Ryan, Sara Schneck, Kathryn Smith, Ginger Weincek, Judy Williams, and Connie Wittbold

Congratulations to **Elyssa Smith of Bartlett**, who was selected as the 2015 Arts in Bartlett scholarship winner. Elyssa graduated from the Visual and Performing Arts Academy at Larkin High School in the top 2% of her class. She is a clarinetist and pianist and plans to study music education at the University of North Texas.

The Lewis A. Affetto Jr. Foundation has awarded scholarships to **graduating seniors Natalie Kremer and Jessalyn Wittmayer** from Bartlett High School. The Affetto family foundation funds research for congenital heart defects and awards scholarships to future artists in memory of Lewis A. Affetto Jr., who graduated from Bartlett High in 2000.

# A Minute with the Mayor

Kevin Wallace

During the two years since my election, I have attended board meetings and breakfast meetings and ribbon cuttings. I have read budgets and memos, reports and letters from residents. I have helped the Board navigate some tough issues and have cheerfully issued proclamations recognizing some amazing Bartlett citizens. What I have learned so far is that no two days as mayor of Bartlett are alike, and the very best days are the ones that include a community celebration.

A Village Hall filled with music. A warm and growing bond between Bartlett and our friends in Miaoli City. I very much look forward to many more years ahead for this Sister City friendship.

Village President Kevin Wallace exchanges gifts with TECO ambassador Calvin Ho at the recent sister city anniversary celebration.

The Neo Classic Chamber Ensemble

Thanks to the efforts of Arts in Bartlett, the Taipei Economic and Cultural Office (TECO) in Chicago and Bartlett's own Taiwanese community, the Village was able to begin a sister city relationship with Miaoli City, Taiwan five years ago.

For me, one of the more enjoyable byproducts of this sister city relationship is the music it has brought to the Village of Bartlett. The Hakka Chorus has visited us a few times now and always fills Village Hall with smiles. Our own Bartlett International Chorus usually adds to the fun by singing traditional Hakka songs. And our recent sister city anniversary celebration also included a visit from the touring Neo-Classic Chamber Ensemble, who provided us with a string and vocal performance that did not fail to inspire and amaze everyone who attended.

Another community celebration that I am very much looking forward to is Bartlett Heritage Days, which will happen September 11 to 13. This is the sixth year for this fall festival, which honors our Village's rich history. I encourage everyone to come out for some old-fashioned family fun, Bartlett-style, before the summer slips away.

*The Bartletter is printed on partially recycled paper using soy ink.*

## Bicycle and Pedestrian Safety

A resident recently emailed and suggested that since the number of bicyclists in the Village seems to be increasing, it might be a good time for a refresher on sharing the roadways. Here are some cyclist and pedestrian safety tips for drivers from [www.cyberdriveillinois.com](http://www.cyberdriveillinois.com).

- Drivers must yield the right-of-way to a bicyclist just as they would to another vehicle.
- Bicyclists should travel just to the right of faster moving traffic. However, drivers need to be aware that certain hazards such as rough surfaces, debris, drainage grates or a narrow traffic lane may require bike riders to move toward the center of the lane.
- Motorists must pass a cyclist slowly and leave at least three feet of passing space.
- Crowding or threatening a bicyclist is prohibited.
- A motorist should not park or drive in marked bicycle lanes.
- When following bicyclists, give them plenty of room and be prepared to stop quickly. Use extra caution during rainy and icy weather. At night do not use high beams when you see an oncoming biker.
- After parking and before opening vehicle doors, a motorist should first check for bicyclists.
- When a motorist is turning left and there is a bicyclist entering the intersection from the opposite direction, the driver should wait for the bicyclist to pass before making the turn. Also, if a motorist is sharing the left turn lane with a bicyclist, stay behind them until they have safely completed their turn.
- If a motorist is turning right and a bicyclist is approaching on the right, let the bicyclist go through the intersection first before making a right turn. Remember to always signal when turning.

A driver must come to a complete stop (and yield):

- When a pedestrian is in a marked crosswalk.
- On school days, when children are in close proximity to a school zone crosswalk.

A driver must yield to a pedestrian

- When a pedestrian is in an unmarked crosswalk on the driver's side of the roadway and there are no traffic control signals.
- When making a turn at any intersection.
- When making a lawful turn on a red light after coming to a complete stop.
- After coming to a complete stop at a stop sign or flashing red signal at an intersection.
- When a pedestrian enters a crosswalk before the traffic light changed.
- When a pedestrian is walking with a green light, to a walking person symbol or a walk signal.
- When a pedestrian is leaving or entering a street or highway from an alley, building, private road or driveway.
- When a pedestrian is entering an intersection with a flashing yellow arrow.

Drivers, bicyclists and pedestrians are all responsible for following traffic rules and for safely sharing the Village roadways.

## Back to School Safety Reminders

The Bartlett Police Department urges motorists to slow down and exercise extra caution when students return to school on Monday, 8/17. Drivers are reminded to obey school speed zone signs, refrain from using their cell phones and pay extra attention to students walking to and from school. Please be mindful of school buses picking up and dropping off near schools and in residential neighborhoods. Also be aware that congestion near schools increases during these first few weeks of the school year, so allow a bit longer for your daily commute.

Students who walk to and from school are encouraged to always look both ways before crossing the street, obey the school crossing guards and watch for turning vehicles. Be especially alert during inclement weather, and walk with a parent, sibling, friend or a neighbor.

The Bartlett Police will conduct extra patrols near elementary schools and in surrounding neighborhoods during the first few weeks of school. The department will also increase traffic enforcement activities in school speed zones.

## Traffic Advisory – Lions Labor Day Dash

The annual Bartlett Lions Club Labor Day Dash is scheduled for Sunday, 9/6, at 8 a.m. Hundreds of runners and walkers will be participating in the 5K/10K Run/Walk and the Kids & Family Fun Dash. The event is scheduled to start and finish on Railroad Avenue just east of S. Main Street near the Town Center. The tentative course is as follows:

- \* East on Railroad Avenue
- \* South on Prospect Avenue
- \* West on the ComEd Trail
- \* North on South Bartlett Road
- \* West on Jervey Lane
- \* North on Western Avenue
- \* West on Devon Avenue
- \* East on Pond View Lane
- \* North on Western Avenue
- \* East on Railroad Avenue to the finish line

Please be very cautious around runners and walkers on the roadways. Motorists and residents who live along the course may also experience slight traffic control delays. Please visit the Bartlett Lions Club website, [www.bartlettlions.org](http://www.bartlettlions.org) for more information.

## Child Safety Seats

The Bartlett Police Department offers a free program that teaches Bartlett residents how to properly install child safety seats in their vehicles. This program entails a community service officer (CSO) demonstrating the proper way to install a child safety seat in the participant's vehicle. After the CSO demonstration, the seat is removed and the participant reinstalls it in their vehicle.

The police department has four CSOs who are certified child safety seat installers. Bartlett residents who wish to participate in this program are asked to call 630-837-0846 to schedule an appointment. Normally, child safety seat installations are scheduled between the hours of 8 a.m. and 8 p.m. The appointment time for one child safety seat is approximately one hour. Participation in this program is limited to Bartlett residents only.

Child passenger safety tips and information pertaining to child safety seats can also be found in the police department's child safety seat brochure, which is available on the Police Department page of the Village website, [www.village.bartlett.il.us](http://www.village.bartlett.il.us).

## Did You Know?

...that your garbage and recycling totes cannot be stored in front of the house.

Republic Services picks up garbage weekly on Tuesdays. Your totes may be placed at the curb no earlier than 6 p.m. on the day preceding pickup. Empty containers must be removed no later than 9 a.m. the day following pickup and stored in the garage or in the side or rear yard.

Also, a quick reminder that Republic Services provides free fall leaf collection using generic yard bags only during October and November. **Republic Services** yard waste bags are required for garden debris, such as small sticks, evergreen clippings, grass clippings, weeds, leaves, soil and rocks during the April 1 to November 30 yard waste season.

# Village-Wide Garage Sale

Thursday, 8/20, Friday, 8/21 & Saturday, 8/22  
9 a.m. to 5 p.m.

It's time to bargain hunt again at Bartlett's community-wide garage sale. The addresses of participating households are shown below and on a map available on the Village website, [www.village.bartlett.il.us](http://www.village.bartlett.il.us), and at Village Hall. Happy shopping!

# Fall 2015 Parkway Tree Program

Through its long-running Parkway Tree Program, the Village of Bartlett has shared the cost of planting trees with homeowners in an effort to reforest Bartlett's parkways as well as diversify the number of species planted.

**You are only eligible to purchase a tree if you had a tree removed from your parkway or have the space for one to be planted.** Trees should be spaced 30 to 40 feet apart. Planting locations will be determined by the Village.

The tree species available are listed below. All trees are 2-inches in diameter, at a cost of \$50 per tree. **Orders are filled on a first come, first serve basis.** If the tree you order sells out, you will be contacted to make another selection. Trees will be planted by November 25 unless notified otherwise.

**Swamp White Oak:** Native shade tree with lustrous, heavy textured leaves. Maximum height and spread of 45 feet with a rounded, open form. Adaptable to wet, poorly drained soils and drought tolerant. Yellowish brown to reddish fall color.

**Regal Prince Oak:** Beautiful oak with a narrow and upright, columnar shape. Mature height is 45 feet with spread of 20 feet. Summer foliage is glossy, bright green that fades to yellow in the fall.

**Royal Raindrops Crabapple:** Disease resistant crabapple with upright, spreading form that reaches a height of 20 feet. Bright pinkish red flowers combine with deep purple cutleaf foliage for an excellent display in the spring. Fall color is orange red. Tiny red fruits persist through fall and winter.

**Black Gum Tupelo:** Attractive native tree with high-gloss, dark green summer leaves. Spectacular fall foliage with many shades of yellow, orange, bright red, purple or scarlet that may appear on the same branch. Fissured grey bark provides winter interest. Grows up to 40 feet in height with a spread of 20 feet. Adaptable to urban conditions including compacted and poorly drained soils and occasional drought.

**Japanese Tree Lilac:** A smaller sized tree that reaches a height and spread of 20 feet. It produces large clusters of creamy white, fragrant flowers in late spring, early summer. Drought resistant.

**Espresso Kentucky Coffee Tree:** This seedless male variety has an oval to vase like shape. Mature height is 50 feet with a spread of 35 feet.

Good tolerance of heat, drought, and cold.

**Triumph Elm:** Strong, upright branching shade tree with a sturdy, symmetrical growth habit. Fast growing to 55 foot height and spread of 45 feet. Dark green and glossy foliage with yellow fall color. Disease and pest resistant; drought tolerant.

**Hackberry:** Tough native tree, tolerant of climatic conditions and urban abuse. Reaches height of 45 feet. Light green leaves fade to yellow in fall. Rough, corky bark adds interest, resists damage.

**Princeton Sentry Ginkgo:** Stiffly upright branches form a slender, pyramidal crown with a mature height of 45 feet and spread of only 15. A male, fruitless variety that is pest resistant and adaptable to urban conditions. Bright yellow fall color.

**Yellowwood:** Shorter native shade tree (30 feet) with rounded shape. Cascades of fragrant white blooms in May and June. Brilliant yellow fall color.

**Redpointe Maple:** Fast growing red maple hybrid with a broadly pyramidal shape. Maximum size is 45 feet with spread of 35. Dark green foliage in the summer changes to brilliant red in the fall.

**Sienna Glen Maple:** This upright tree grows to a height of 50 feet with a spread of 35 feet at maturity. Fall color is a rusty orange to burgundy. It is a hardy, low maintenance tree that requires minimal pruning to maintain its pyramidal form.

**Due to high demand, only one maple per order will be accepted. If ordering more than one tree, please consider choosing different varieties to help diversify the Village inventory.**

Visit the Public Works page on the Village website, [www.village.bartlett.il.us](http://www.village.bartlett.il.us), to see tree photos or call 630-837-0811 for information. Orders, with checks payable to the Village of Bartlett, must be received by Oct. 2, 2015 at Parkway Tree Program, Bartlett Public Works, 1150 Bittersweet Dr, Bartlett, IL 60103.

Tree Type	Quantity	Total Cost

As the clock counts down to Bartlett's 125th birthday in March 2016, the Village of Bartlett Museums start revealing the key moments in the Village's history via its anniversary logo. Watch as the numbers continue to transform. The number two now contains five images:

**Public Safety** - In 1892, ordinance #39 established the police department. Ordinance #59, in 1897, established the then volunteer fire department. Both departments were very small in the beginning. There was only one police constable to light the street lamps and maintain order in the Village.

**Religious diversity** - The Congregational Church, Bartlett's first church, was established in 1878. Pictured in the logo is Immanuel United Church of Christ, which is also celebrating its 125th anniversary in 2016. It is Bartlett's oldest continuing congregation on a long and diverse list of religious facilities that make their home in the community today.

**Education** - School bells first rang in the Village in 1874, when Bartlett School was established. The school, once home to grades 1 through 10, first met above a store, then, in 1876, moved to North and Hickory Avenues. In 1929, it moved to its present location at North and Eastern Avenues.

**Public Services** - Modern amenities arrived in Bartlett with the telephone in 1902, gas mains in 1916, electricity in 1922, running water in 1923 and a waste water sewer system in 1928.

**Commerce** - After the railroad helped establish Bartlett in 1873, the town "sprung up as if by magic." The first business was a lumber yard owned by the Bartletts' son. Quickly the Village was home to a general store, butter box factory, blacksmith, shoe maker, wagon maker and much more!

## Tea with First Lady Jacqueline Kennedy

It is 1964 and former First Lady Jacqueline Kennedy is besieged by sightseers around her house in Georgetown. As she deliberates what to do next, she shares the story of her life in the White House, including her struggle to retain her family's privacy in the face of media onslaughts, her restoration work, and her attempts to showcase the arts. In a climactic revelation, she recounts her husband's death and comes to a heartfelt decision about how to begin a new life for herself and her children.

The Bartlett History Museum and the Bartlett Public Library District invite everyone to learn more about this fascinating first lady, as portrayed by Leslie Goddard, at the 18th annual First Ladies Tea on Tuesday, 9/29 at Bartlett History Museum. The doors open at 6:30 p.m. for refreshments, and the program begins at 7 p.m.

Registration is required for this very popular free event. Please call the museum at 630-837-0800 or email [prohleder@vbartlett.org](mailto:prohleder@vbartlett.org) with the number of attendees and your phone number to make your reservation.

## From the Archives

Resident Arlene King recently donated Bartlett Lacrosse Association apparel, images, DVDs and more to the Bartlett History Museum. King was the founder and first president of the association, serving from 2008 to 2010.

In 2007, when King's son Alex and other Bartlett High students expressed an interest in playing lacrosse, King rallied support and on February 11, 2008, the Bartlett Lacrosse Association became official.

During the club's first season, its record was 11-8-1. In 2009, the season record was 13-2, and the club took first place in the NIAX Championship! The club continues today and has won many accolades.

# BARTLETT BRIEFS

## GOLF OUTING

Are you ready for a great day of golf? The 28th annual **Bartlett Chamber of Commerce Golf Outing** is on Thursday, 8/20 at Bartlett Hills Golf Course. This event is open to the community, everyone is welcome. Singles - \$130; foursomes - \$465; dinner only - \$35; sponsorships available. Call the chamber for information at 630-830-0324 or visit [www.bartlettchamber.com](http://www.bartlettchamber.com).

## HERO SATURDAY

**Bartlett Park District** wants you to put on your favorite hero costume, team up with friends and take on the Hero Dash at Bartlett Nature Center, 2054 W. Stearns Road, 5:30 p.m. on Saturday, 8/22. The 2-mile course will be riddled with daredevil obstacles that will have you swinging like Batman, balancing like Spiderman and running like the Flash. Pre-registration closes at noon on 8/14. Registration will continue through 8/22, with race day registration from noon to 1:30 p.m. Stay after the dash and enjoy a FREE movie in the park beginning at dusk. The Park District will be showing Big Hero 6 on the big screen. There also will be super hero themed games and popcorn.

## KIDS CLOTHING RESALE

**One Plus One Mothers of Multiples** Fall Clothing Sale is from 8:30 a.m. to 12:30 p.m. on

Saturday, 8/22, at St. Peter Lutheran Church, 202 E. Schaumburg Rd., Schaumburg. Gently used children's clothing, toys, baby equipment and furniture at garage sale prices. Admission is \$1. No strollers or bags please -- bring a laundry basket. For more information, [www.oneplusonemoms.org](http://www.oneplusonemoms.org).

## DECORATE A KITE

**Arts in Bartlett** invites you to decorate a kite and bring it to its Bartlett Heritage Days art competition. Kites may be decorated by a group or individual. Participants should bring their decorated kite to the park at Railroad & Main Street, by the AT&T building, from 10 a.m. to 2:30 p.m. on 9/12. Applications will be available and can be completed at the park on this day. Decorated kites will be judged and donated for a silent auction event later in the year to benefit youth scholarships. The criteria for judging includes: artistic impression, originality, quality and aesthetic appeal. Specifications: kites of any size or material will be accepted. No limit on number of entries. Winners in three categories (Best Themed, Bartlett Heritage and Most Creative) will receive a ribbon, certificate and free 1-year membership to Arts in Bartlett. For more information contact Rita Lopienski, president of Arts in Bartlett, 630-956-8814 or [rlopienski@sbcglobal.net](mailto:rlopienski@sbcglobal.net).

## BARTLETT T-SHIRTS

**Bartlett Historical Society** will be selling I ♥ Bartlett t-shirts for \$12 each at the Bartlett Heritage Days festival, 9/11 to 9/13. If you would like a larger size t-shirt, please call Marlene Palmer, 630-289-0360.

## WALK FOR PEACE

**Play for Peace** hosts its annual 5k Walk for Peace and World Peace Day Celebration at Bartlett Nature Center in James "Pate" Philip State Park on Saturday, 9/19 from 9 a.m. to 1 p.m. This family-friendly event includes music, face painting, cooperative games, a food festival sponsored by Bartlett area restaurants, a silent auction and more. Registration is \$25 for adults; \$10 for children, which includes a t-shirt and all activities. To register and for more information, visit [www.playforpeace.org](http://www.playforpeace.org) or [www.crowdrise.com/2015walkforpeace](http://www.crowdrise.com/2015walkforpeace).

## NEW OFFICERS

**Bartlett Woman's Club** has installed newly elected officers for 2015-2016: Secretary - Rochelle Prybylski, 2nd VP - Dolores Schark, President - Maureen Glowacki, Treasurer - Peggy O' Hare. The Bartlett Woman's Club is for women 18 and older and sponsors many social and philanthropic events in the community. Find out more at [www.bartlettwomanclub.org](http://www.bartlettwomanclub.org).

## Mosquito Abatement

The Northwest Mosquito Abatement District, 847-537-2306, provides mosquito abatement services to northwest Cook County, including portions of Bartlett. Cook County residents can call to report standing water to the district.

In DuPage County, the Village of Bartlett contracts with Clarke Mosquito, 800-942-2555, to provide mosquito abatement services. Clarke Mosquito uses a four-part process to control the mosquito population.

The first part of the program is aimed at identifying mosquito breeding sites. The second part of the program involves surveillance and monitoring of the mosquito population. Third is the control of larvae. Clarke Mosquito Control treats breeding sites to prevent the development of adult mosquitoes. The larvicides used kill mosquito larva, thereby prevent their maturation into adult mosquitoes. The final step in Bartlett's mosquito control program involves the control of adult mosquito populations. In cases where there are encephalitis alerts or when the nuisance factor becomes excessive, such as after a heavy rain-fall, Clarke Mosquito Control may use Ultra Low Volume cold aerosol misting to reduce the adult mosquito population.

As a result of this four-part program, there is no regular schedule for spraying. For more information and helpful links, look for mosquito abatement on the Village website.
